# STATE AGRICULTURE POLICY - 1996

## CHAPTER I

Orissa is endowed with a wide range of fertile soil along with adequate rainfall and suitable climate for agriculture. But it is yet to be fully utilised. Nearly 70% of the population in the State depend on agriculture. Development in agriculture holds the key to total development of the State. With this in view, the Government of Orissa has decided to give agriculture the status of industry. For the first time in history, the Government has taken the revolutionary step of announcing a bold Agricultural Policy which sets the agenda for growth.

The main objectives of this policy are as follows :-

- (a) To double the production of foodgrain and oil seed crops
- (b) To enhance the status of agriculture from the present level of subsistence agriculture to a profitable, commercial venture, so that the young persons can accept agriculture as a means for self employment.
- (c) To generate adequate employment opportunities
- (d) To make agriculture the main route for poverty eradication
- (e) To take the knowledge of modern farming system available at the door step of the farmers
- (f) To adopt integrated programmes for problematic soils such as water logged areas, areas with soil erosion, dry/rainfed areas, areas under shifting cultivation, waste lands, saline and alkaline soil, etc.
- (g) To create entrepreneurship in the field of agriculture
- (h) To create skilled labourers for management of modern agriculture
- (i) To help mechanisation of agriculture for increased productivity
- (j) To establish Agro Based Industries and Food Processing Industries
- (k) To be self-sufficient in the production of fruits, flowers, vegetables, potato, onion, milk, egg, fish and meat.
- (l) To increase areas under Tea, Coffee, Rubber, Cashew and other plantation crops
- (m) To provide irrigation facilities to 50% of cultivable land through completion of incomplete irrigation projects and promotion of individual and group enterprise.
- (n) To take up extensive training in the field of agriculture and related activities
- (o) To promote private enterprise in the marketing of agricultural produce
- (p) To identify and promote thrust crops in the different agro-climatic zones of the State
- (q) To re-orient agriculture towards export.
